Without prejudice of the aforementioned delegations, it is delegated to the Board of Directors, with the express power of delegation to any of their members, the precise powers to rectify, develop and execute, whenever it considers appropriate, each of the agreements reached by the Shareholder's General Meeting.

Likewise the Board of Directors is empowered to determine all the other circumstances that may be required, adopting and executing the needed agreements related to them, publishing the announcements and giving the guarantees that shall be indispensable for the effects included in Law, as well as formalize the specific documents and fulfilling as many actions as deem necessary, with compliance to as many requirements as the ones according to Law for the most plenty execution of the agreements of the Shareholders' General Meeting.

Additionally, it is agreed to jointly and severally empower the Chairman and Chief Executive Officer and the Secretary to the Board of Directors, so that any one of them, solely, is able to formalise and legalise the agreements reached by the Shareholder's General Meeting, including the deposit of annual accounts, the management and the audit reports corresponding to the Company and its consolidated Group. They may thus subscribe the public or private attested documents that are necessary or suitable (including those for clarification, total or partial rectification and solution of defects of errors) for exact compliance and for their registration, including partial registration, in the Companies Register or in any other necessary register or body.
