

**SIEMENS GAMESA RENEWABLE ENERGY, S.A.  
INSIDE INFORMATION**

**As per section 226 of the restated text of the Securities Market Law (*texto refundido de la Ley del Mercado de Valores*), approved by the Royal Legislative Decree 4/2015, of 23 October, and related provisions, the Company announces the following inside information:**

This announcement is related to the Relevant Fact sent on July 18, 2019 to the Spanish Stock Market Commission (Comisión Nacional del Mercado de Valores) (registration number 280322), in which Siemens Gamesa Renewable Energy, S.A. communicated the conditional supply of wind turbines to the joint venture between Orsted and Eversource for three offshore wind power projects in the United States, being all deliveries conditional on Orsted and Eversource's final investment decision.

The Company hereby confirms that has received the firm order from Orsted and Eversource to supply wind turbines for the Revolution Wind project (715 MW) off the coast of Rhode Island, expected to be completed for end 2024, and for the South Fork project (132 MW) off Long Island, New York, expected to be completed for end 2023. As communicated on July 18, 2019, the supply for the Sunrise project remains conditional.

The firm order encompasses the supply, delivery and installation of 65 units of the SG 11.0-200 DD offshore wind turbine for the Revolution Wind Project and 12 units for the South Fork project.

Zamudio (Bizkaia), September 30, 2021.
