

A photograph of a wind turbine on a hill at sunset. The sky is a gradient of orange and pink. Below the horizon, a sea of clouds fills the valley. The turbine is silhouetted against the sky, with its three blades clearly visible. The foreground shows the dark, rocky ground of the hill.

Join us for Happy Hour in
booth #2127 on Tuesday and
Wednesday from 5 - 6 p.m.

Agenda:

Tuesday, May 8, 2018

Exhibition Hours: 9 a.m. – 6 p.m.

General Session: Powering Forward - The Future of Wind and Renewable Energy:

10 – 11 a.m., Power Station, all other theaters (simulcast)

Using Actionable Data Insights to Unlock Wind's True Potential

Mark Albenze, CEO, Service

Big Data Normality Models: Which Strategy Works Better?:

2 – 2:25 p.m., Power Station

Christian Jourdain, Head of Marketing, Service

Large Wind Turbine Manufacturer Forum:

3 – 3:45 p.m., Power Station

José Antonio Miranda, CEO, Onshore Americas

Site Specific Design for Continuous LCoE Reduction:

4 – 4:25 p.m., Tech Station

Imanol Iribarren, Head of Technical Project Management

Exhibit Hall Happy Hour: 4:30 – 6 p.m., West Hall

Siemens Gamesa Happy Hour: 5 – 6 p.m., Booth #2127

Wednesday, May 9, 2018

Exhibition Hours: 9 a.m. – 6 p.m.

Offshore Wind: Preparing U.S. Ports and Supply Chain:

11:15 a.m. – 12:30 p.m., Project Development Station

Joergen Scheel, VP of Offshore, Offshore North America

Poster Reception: 4:30 – 6 p.m., West Hall

One Cyber Security Standard to Rule Them All!

Through the OEM Cyber Security Looking Glass

James McQuiggan, CISSP,

Product and Solutions Security Officer, Americas

Repowering: Improving Existing Turbine Infrastructure for New Generation SCADA

Eva Harris, Manager, Technical Project Management, North America

Siemens Gamesa Happy Hour: 5 – 6 p.m., Booth #2127

Thursday, May 10, 2018

Exhibition Hours: 9 a.m. – 1 p.m.

Why Offshore Wind in the U.S. is Important to the Future of the Industry:

10:30 – 10:55 a.m., Thought Leader Theater

Andreas Nauen, CEO, Offshore
