Social Commitment Department Strategy FY2020/2022

May 2021
Social Commitment Department

"To actively reduce poverty in our communities, to fight climate change, and to promote technological education in line with the future needs of society."

- To reinforce the commitment with society in line with our stakeholders demands, SGRE created the Social Commitment department towards the Siemens Gamesa Foundation
- Beyond the business, bundle all external social activities
- Aligned with the SDG’s set by the UN 2030 Agenda

AREAS OF ACTIVITY

- FIGHT POVERTY
- TECHNOLOGICAL EDUCATION
- ENVIRONMENTAL PROTECTION
## Transversal Projects FY21

| 1. Digital Platform                        | ✓ We are digital and this will allow us to  
• Reach more beneficiaries  
• Automatize processes  
• Measure our impact                                                                                                                   | VECTOR ITC        |
| 2. Sustainable Employee and Sustainable Family | ✓ Project for all employees to get sustainable habits while playing  
• This will allow employees to receive challenges to improve their lifestyle on a daily basis  
• Engaging with the UN’s 2030 Agenda                                                                                                     | DoGood            |
| 3. Corporate Volunteering Program          | ✓ To create beneficial impact within the communities and the environment  
✓ Involves a wide range of social activities with the common purpose of improving the quality of life and the sustainability of its communities  
✓ STARS:  
• Helping Social Commitment to promote volunteering through employees  
• Acting as ambassadors internally and externally  
• Helping on-site in volunteering activities                                                                                           | SGRE Employees    |

</table>
| **1. Digital Talent Factory** | - SGRE Minecraft Education Edition Updated Version  
- Updates and new features, missions, and challenges  
- Courses and online events developed by universities from SGRE’s network and alliances | Possible Lab                  |
| **2. Academic Agreements**    | - First Lego League for robotics and coding. Extend to Morocco and Mexico  
- Megaprojects in higher education project-based learning initiative by University of Aalborg (Denmark) and 4GUNE in the Basque Country (Spain) with 130 students, extend to Mexico  
- #Teens4STEM a worldwide initiative for students aged 14 to 18 to motivate them to choose STEM careers by providing them opportunities to work on projects related with research, innovation and technology; Starting in Spain, Germany, Sweden and India  
- Siemens Gamesa-SDSN Award a competition to mobilize university talent for quality education, innovation and the resolution of current challenges, such as SDG13. In USA, France, China, Mexico, and Morocco | Real Academia de Ingenieria  
Basque government/4Gune  
SDSN  
Robotix  
Lego |
| **3. Ideas Lab**             | - Hackathon 2022 TBD  
- Working group: expand geographic scope for a better education in collaboration with foundations and entities  
- Organize events | TBD |
During FY20 we have provided relief to the COVID-19 pandemic through the donations of food, sanitary equipment and other in-kind donations, humanitarian aid and psychological relief.
Socially Committed Company

To actively reduce poverty in our communities, fight climate change and push technological education to the future needs

Business rationale
For being a good corporate citizenship and match the requirements of our stakeholders we want to contribute to the society by pushing STEM education, combating poverty and protecting the environment

FY20-end:
- Launching of Forests of Siemens Gamesa
- First Digital Clean-up Day
- 2nd SGRE Impact Project
- First Lego League
- Provide relief to COVID-19 pandemic through food donations, sanitary equipment & other donations, humanitarian aid and psychological relief with 19 projects in 30 countries & 1.6M beneficiaries

Measures considered
- SROI (Social Return of Investment) of the most relevant initiatives (Deusto University + GEA Accounting)
- RSC² and RSC³ with McKinsey
- Employee satisfaction survey and engagement from volunteer programs
- Number of beneficiaries from education programs
- People impacted (awareness initiatives)
- Implemented solutions (challenges proposed to university students)
- Satisfaction of employee volunteers (to be measured based on surveys/questionnaires)
- CO2 sequester due to planted trees

*Exploring other indicators like RSC² from McKinsey
Social Commitment KPI

**KPIs**

- **End poverty in all its forms in our communities**
  - Employee satisfaction and engagement from volunteer programs (measured by impact surveys)
  - Satisfaction from the institutions and communities (to be measured based on public declarations in SoMe, press...)
  - Economic contributions to local communities (in euros)
  - Every year the impact of the activities will be measured:
    - SROI (Social Return of Investment)
    - RSC2 with McKinsey and FundacionSeres
  - Economic Impact of the interest of our customers (to be measured based in the business volume of the customer requesting information on our social commitment activities in tenders)

- **Promote STEM education and motivate students towards them**
  - Number of candidates from education programs proposed to HR
  - People impacted (awareness initiatives)
  - People that have received training (educational initiatives)
  - Implemented solutions (challenges proposed to university students)
  - Every year the impact of the activities will be measured:
    - SROI (Social Return of Investment)
    - RSC2 with McKinsey and FundacionSeres

- **Strengthening the global response to the threat of climate change.**
  - Satisfaction of employee volunteers (to be measured based on surveys/questionnaires)
  - CO2 sequester due to planted trees
  - Every year the impact of the activities will be measured:
    - SROI (Social Return of Investment)
    - RSC2 with McKinsey and FundacionSeres

**Levers**

- Impact Project: projects proposed by employees
- Corporate Volunteering Program
- Collaboration agreements with International and local NGOs

- SGRE’s employees involvement (mentoring, events...)
- Partnership with academic institutions and through teachers’ involvement in our STEM digital programs
- Participation in events conferences, think tanks events, round tables, education fairs...

- Reforestation activities in collaboration with NGOs
- Corporate Volunteering Program
- Collaboration agreements with International and local NGOs
- Corporate Volunteering Program
