Supplier guide for SAP Ariba

August 2020
Relationship Built on Trust and Excellence

Siemens Gamesa has a strong history of supplier excellence, built up over the years through sustainable relationships with our supplier and contractor base.

We value our partners and strive to optimize the interaction through process and tool excellence. The next move towards a more digital future is the implementation of SAP Ariba Strategic Sourcing.

One digital platform to interact in a simple, compliant and efficient way.
**Cost Implications**

In order for a Supplier to conduct business with us via the 3 new SAP Ariba Modules, they will need the following:

- a device that can access the internet via a browser (Desktop, Laptop, Tablet or Smart Phone)

**Suppliers incur no costs to:**

- create their supplier profile
- create a new SAP Ariba Network Standard Account
- participate in any sourcing event (including Registration and Qualification Questionnaires)
- receive Purchase Orders via Ariba Network

**Suppliers might pay fees of account usage to:**

- SAP Ariba Network Enterprise Account
- provide Punch Out catalogue
- integrate supplier ERP system to AN for PO automation
SAP Ariba Onboarding Process

Steps for a successful onboarding

1. Receiving the Siemens Gamesa Communication announcing the SAP Ariba project
2. Receiving the Registration Request
3. Registering on the SAP Ariba platform
4. Configuration of Account for Sourcing and Transactions
5. Receiving Siemens Gamesa Communication announcing set up of Trading Relationship between Customer and Supplier
   • **Important:** in case of you being an Enterprise Account supplier with/without punch out catalog, the following steps will be supported by the Ariba Supplier Enablement Team
6. Supplier to accept of Siemens Gamesa Trading Relationship Request on Ariba Network
7. *If applicable:* Supplier to set up Supplier Test Account for Catalog Enablement and/or PO integration
8. Reception of Siemens Gamesa Communication for Business Go Live
